 Incontinence Products

AIR-Plus™ Bariatric Brief

Breathable System to Protect Skin Health

Product Features:

- **100% Breathable** - Each portion of the brief allows air to circulate next to the skin. The stretchy side panels and peach core have microscopic pores which allow the moisture vapor coming from body transpiration to escape.
- **TQ-A/P (Tranquility Antimicrobial and Antifungal Protection)** Controls the growth of bacteria and fungi that cause odor and other negative effects.
- **Maximum Sizing** - Side panels extend to **106" circumference** following body contours with firm support. The fuller, higher coverage in the front and rear of the product assures a better fit.
- **Micro-hook Closure Tabs / Soft, Cloth-like Outer Layer** - Enable repositioning and multiple openings while maintaining a secure, fastened fit.
- **Retention Capacity** - The peach core absorbs/retains more than a quart (34 oz.) of liquid.
- **Peach Mat Guarantee™** - Assures unsurpassed overall performance in the areas of:
 - skin dryness • urine pH neutralization
 - odor reduction • inhibition of bacterial growth

*Breathable materials
with microscopic pores*

Performance Advantages:

- **TQ-A/P Special Treatment** covers all surface areas of the brief promoting a clean, fresh environment for healthy skin.
- **Fresh Air Flow** reaches sensitive skin areas providing comfort and protection.
- **Superior Absorption** means fewer brief changes and less laundry.
- **Improved Quality of Life** for both the caregiver and the loved one.

*TQ-A/P symbol assures garment
has been treated with antimicrobial
and antifungal protection*

Item#	Description	Size	Capacity	Packaging
2195	AIR-Plus Bariatric Brief	70"-106" w/h	34 oz/1005 ml	4 bags of 8; 32/cs
