

The Home-Caring Brand® 
TRANQUILITY
Incontinence Products

Tranquility is now offering products with **TQ-Antimicrobial and Antifungal Protection.**

Safe, odorless, colorless, non-leaching, non-sterile, long-lasting and very effective treatment against fungi, bacteria and algae.

It does not transfer to skin and retains its full antimicrobial strength for the useful life of the applied surface.

Prime Benefits:

- Deprives microorganisms of an environment that promotes growth
- Protects sensitive skin in areas of elevated levels of heat and perspiration
